BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 22nd November 1944.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on 11th December 1944, for erecting an R. C. C. Water Tank of 2,00,000 gallons capacity on 50′ R.C.C. staging (as per approved design) for water supply to Davangere Town. The work should be completed before the end of June 1945. The tender should be accompanied by detailed drawings of the tank with details of design and calculation sheet. The specifications of the tank are notified separately and should be strictly adhered to.

2. Tenders should be submitted in printed forms. They should be accompanied by a statement showing the rates at which the different items will be executed and these rates will be binding till the completion of the work as per agreement. The printed forms can be obtained from the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, on payment of four annas each.

3. Each tender should be accompanied by a deposit of Rs. 2,700 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for constructing an R. C. C. Water Supply Tank of 2,00,000 gallons capacity on 50 ft. R.C.C. staging for Water Supply to Davangere Town", in default of which the tenders will be rejected. No reference to possible dues from the Department in lieu of cash will be accepted.

4. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of tender will be entertained.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Charges on account of scaffolding materials, implements for setting out barricading, clearing site, supply of water for construction purposes, etc., that may be found necessary during execution will not be paid for separately and should be borne by the contractor and included in the rates for items of tender.

9. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

10. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

11. The required quantity of cement and steel will be supplied departmentally and cost recovered in the contractor's bill together with 10% centage. The contractors shall arrange their own supply all of other materials required for the work.

12. The architectural design that will be included in the cost may be furnished in the drawing which should be accompanied by calculations for the details of shell, pillars, etc.

3602

Notification dated 25th November 1944.

Sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on 13th December 1944, for "Constructing I part in I stage Drains at Melkote Town" at an estimated cost of Rs. 3,776.

2. The work is to be completed by March 1945 and the monthly progress should not be less than Rs. 1,500.
